

PRINCIPLES OF FINANCIAL PROSPERITY

Creating A Prosperity Image (Part 2)

I. You can't build a new image with the old one still standing

- A. Don't build an altar to God next a Baal altar; Don't put a clean diaper over a dirty 1
 - 1. Judges 6:1-12-Mighty man of Valor is not his image, but God's trying to put that in him
 - a. 15-He's the seed of Abraham, but he's got the image of his "family"
 - b. 22-He not conscious of being the seed of Abraham
 - c. 25-Tear down the altar to Baal before you build one for Jehovah
 - 2. Jud 7:2,13,15-When he heard that dream, it put the image on the inside of him
 - 3. Judges 8:4-9,18,20-He's got a victory image now
- B. There are strongholds (images, poverty mentality) that get built up in our mind through our **experiences, exposures, and instruction** (2 Cor 10:5)
 - 1. Stronghold-Fortresses of thought (ways of thinking), **built** by what you've been **exposed** to, **designed to trap** you in a way of life (EX: Eagle and a buzzard)
 - 2. In many believers minds there's a middle class, paycheck to paycheck, just enough stronghold; & they can't see themselves ever being rich
 - a. Those strongholds are designed to trap them in a way of life financially
- C. If Satan can **plant** something (build a stronghold) in u, he can trap u in a way of life
 - 1. Satan knows it's God's will for you to be rich but he wants to plant something else in you to trap you in a lifestyle that opposes God's will for your life
 - 2. He doesn't want some 1 2 preach something that challenges that stronghold
 - 3. The seed of God's word bumps into a broke image that's been built up
 - 4. The spiritual warfare is this: Can he, through experiences, exposure, and teaching build a stronghold in you that opposes the Word?
- D. 3-The battle is not in the physical, natural realm – (Just like in Numbers 13)
 - 1. We've thought the battle was physical; you've thought I can't be rich b/c I work here or b/c of this or that. But what I'm here to tell u is that your financial prosperity has nothing to do with where you work or what's going in the natural realm, but everything to do with the image you have and the seed you sow.
 - a. You're not broke because of your job, your broke because of your image
 - 2. The battle is inside; the biggest enemy is your inner-me
 - a. There's a stronghold in u right now that was created to trap in a way of life

- b. If you're going to prosper to the degree that God wants u to you're going to have to **go after** that stronghold and **target it** with the Word of God
- E. 4-Your weapons are not carnal-bodily, temporal, pertaining to the flesh
 - 1. Don't bring carnal weapons to a spiritual battle
 - a. You want to get another job, change jobs, ask for a raise, refinance, invest, but those are carnal weapons. You can get a new job and do all of that, but **your image is going where you go.** And that's why you did something in the natural and thought it would make a difference only to find out that you're about where you were before you did that thing.
 - 2. This Word has the power to destroy that stronghold and it's your weapon
- F. 4,5-You pull down strong holds by:
 - 1. Casting down imaginations that exalt themselves against the Word
 - a. Destroying & demolishing (that takes power) thoughts that oppose the Word
 - b. One of the main problems with this is that most people don't even know what God's Word says about them financially, so when something exalts itself against that Word they don't know it and they just take it and before long they've got stronghold of it, that the word didn't build
 - c. Every thought that rises up against what God's word says you got to destroy with the Word of God coming out of your mouth (How to destroy a thought)
 - 1) Any bill, circumstance, person that transmits a thought that's not in line with the Word has to come to down
 - 2. Then bring (force into submission) your thoughts into obedience to the Word
 - a. You force yourself to think this way

II. Paint a new image

- A. You're going to have to go to the paint of God's word, use the brush of your tongue, and paint an image on the canvas of your heart that you are a rich man (Psalm 45:1)
 - 1. What kind of matter is your heart composing? A broke life or a prosperous one
 - 2. Through my tongue a relate, rehearse, and declare things to my heart
- B. Meditation's the tool through which we create a new image; key to inner transformation
 - 1. Meditate-Utter a sound, thoughtful deliberation with the implication of speaking to oneself, to imagine, to speak, to talk
 - a. You have to take the thought and say it until you don't have to think to say it (Philippians 4:8-Fix/Attach your mind, Matthew 6:31)
 - b. Do that until the word in you becomes more real than the world out of you
 - c. EX: In my eyes I was rich long before I had any money
 - 2. Josh 1:8-His victory was going to be determined by what was going on in his heart

- a. Meditate so that you can observe/see to do
 - b. Meditate the word to see yourself rich and then do rich
3. Don't take a broke image into battle
- a. It seems like we've been trudging through the mud financially because we're taking a broke image into this financial battle
 - b. You give and tithe and little happens; You can't sow and tithe w/ a broke image and then stand in holy wonderment about why you don't prosper
 - c. Psalm 1:1-3-No matter where I go I'm bringing my prosperous soul with me
4. 2 Corinthians 3:18-That image is going to change as you look at the right thing
- a. What you behold will put the same thing in you and that's what you'll become
 - b. If you're looking into a mirror that's reflecting a broke image back to you, you'll become what you behold; somebody is trying to tell who you are
- C. Matt 12:33-37-Believing and speaking is how you got into this thing and is how it works
- 1. 33-Make the tree good-Make the image rich and prosperous
 - a. The tree determines the type of fruit, the image determines the type of life
 - b. The tree is known by its fruit and your image is known by the life it produced
 - 2. 34-You're going to speak based on and from the image in your heart (Numbers 14)
 - a. This can't just come out of your head, it has to come out of your heart
 - 3. 35-You bring forth things from your heart
 - a. 37-By your words you're justified and condemned (Mark 11:23)
- D. Your **words** and your **image** are hindering your money seed; they are stout against it
- 1. You're sowing seed, but your image and your words are **disabling & crippling** it
 - a. It's like praying a prayer and talking against what you prayed
 - 2. You're money seed independent of the Word seed has no future
 - a. If you have no word in you, then you'll have a broke image you won't speak faith words and that money-seed won't harvest or will harvest little
 - 3. The Word is the seed that's going to change your inner image (Luke 8:11)
 - 4. The money seed is responsible for multiplying and coming back to you, but only to the level of the image that you have and the words you speak (Luke 6:38)
