

## **GIVING MONEY ITS PROPER PLACE**

### Wisdom Then Money

**Foundation Statement:** Money never takes precedence over wisdom/the Word

**I. Proverbs 3:14, 8:10,19,16:16, 20:11-12,15,25**

- A. What wisdom provides is more precious than what money can provide; wisdom will keep you safe, happy, protected, full of peace, give you a long life and money can't buy those things; not only that, but wisdom will get the money into your hands too
- B. It didn't say don't have gold it says choose wisdom over gold and then you'll have all the stuff gold can't buy and gold too and it won't destroy you
- C. If money has place above wisdom/the Word, then it's out of its place

**II. Psalm 19:10,119:14,72,127-Compared to the preciousness of the word gold and money is nothing**

- A. Ecclesiastes 4:13-Better have nothing with a teachable heart, than to be a king who won't take correction

**III. 1 Kings 3:11-13-Solomon gave money its proper place under wisdom and God made Him rich**
