

NO MORE FEAR

The Operation Of Fear: The Source of Fear

FOUNDATION STATEMENT: Fear goes into operation like this: The enemy speaks words in the form of a thought suggestion, a person gives their mind & attention to it, and through their mind it is fed into their spirit and with fear in a person's spirit they'll act in fear and deactivate the anointing

I. **The third thing about the operation of fear is that in the operation of fear, the origin (source, starting point, beginning) of fear are the words of Satan**

- A. Romans 10:12-17-God set the system up like this (Remember Satan is a perverter of what God created; He looks at what God does, twists it and then does that)
 - 1. 12-He will be the answer to all those who call upon him in faith
 - 2. 13-He's no respecter of persons; when faith is released He responds
 - 3. 14-You can't call on God if you don't have faith in Him
 - a. When you act in faith you're calling upon him ("crying out" to Him, his not always the same thing as calling on Him in faith; many people "cry out" in fear and that's why they get no response)
 - b. Call-Prayer (Mark 11:24-Believe you receive/act like you have it)
 - c. Calling on can't come without believing
 - 4. 14-You won't have faith in Him, if you haven't heard His word
 - a. Believing can't come without hearing
 - b. How shall they believe (whether it be faith or fear) without hearing?
 - c. Fear is a belief and how shall you believe in fear if you do not hear
 - 5. 14-You won't hear those words unless somebody preaches them
 - a. Hearing can't come without speaking
 - 6. 15-They can't preach unless they be sent
 - a. Speaking can't come without sending
- B. This is the system God uses to get the operation of faith working in your life so that you fully persuaded and acting in faith, where faith is operative, so that the anointing can be accessed and you can win
 - 1. EX: If God wants to see people prosper financially this is the system He uses
 - a. 12-He'll be a God of prosperity to those who call upon Him in faith for it
 - b. 13-He's no respecter of persons; when faith for prosperity is released he responds
 - c. 14-You won't believe God for prosperity if you don't have faith that He's a God of prosperity
 - d. 14-You won't have faith in Him for prosperity if you haven't heard His words on prosperity
 - e. 14-You won't hear those words on prosperity unless somebody preaches them
 - f. 15-They can only preach them if they've been sent

2. This is how the system works
 - a. If God wants to see people prosper financially the first thing He must do is infiltrate their world/life with His Word on prosperity
 - b. Then the somebody has to take those words and give their attention to them as they do faith will arise
 - c. When faith arises they'll call upon God for prosperity (with their acting faith) and He is rich unto all those who call upon
3. The working of God's system
 - a. God's system says the first thing He has to do is have His words infiltrate that person's life, the region, or the place where I want to work
 - b. Those who give their attention to the Words He spoke will have faith developed in the heart and lives
 - c. Faith then gives God's power a way into their lives so He can get done what He desires for them
 - d. I'm the God of prosperity to all those who call upon me; but they can't call upon me if they don't believe in me; they won't believe in me if they haven't heard my words; how can they hear my words if I don't send somebody
 - e. God sends and a word carrying agent to infiltrate an area with His words

II. Any time Satan wants to do anything in your life he has to infiltrate your world/life with his words (Satan didn't reinvent the wheel; he copies God in a perverted form)

- A. 12-Satan will bring poverty upon those who call to him in fear
 1. When you act in fear you are calling upon him to come and oppress
 2. When Job got in fear he was calling on Satan in fear to bring the thing he feared to pass (Job 3)
- B. 13-Satan's no respecter of persons; those who operate in fear, saved or not, he'll harm (Job was a upright man before God)
- C. 14-He knows you won't call upon him in fear (act in fear) if you, don't have confidence/belief in him to bring misfortune in your life
- D. 14-He knows you won't have faith/confidence in him to bring misfortune in your life without hearing his words
- E. 14-He knows if you're going to hear his words somebody is going to have to speak (Satan seeks to have a voice or an avenue through which he can speak)
 1. Numbers 13-He had he 10 spies
 2. 1 Samuel 17-He had the men of Israel, Saul, and Goliath
 3. Matthew 14-He had the wind
 4. Mark 4-He had the storm
 5. Genesis 3-He had the serpent

III. Satan's initial/preliminary attack is he always says something

- A. Words are always the first line of his attack (Genesis 3, Matt 4)
- B. 1 Peter 5:8-He is a roaring lion before he's a devouring lion
 - 1. For him to get involved in your life and oppress you, you have call upon him fear, but you won't call upon him in fear, if you have no fear, and you won't have any fear unless he speaks words first
- C. Word are the source/starting point of fear and w/o fear he has no access
