

GRACE AND FAITH

The System Of Grace & Faith

SERIES FOUNDATION STATEMENT: Grace and faith is the system by which Heaven and Earth do business. Money is the currency in the world and the buyer gives money to the seller and in exchange the seller gives the buyer worldly goods. In the same manner faith is the currency of Heaven. The believer gives faith to God and in exchange God by grace gives the believer Heavenly goods in exchange for the Heavenly currency called Faith to be experienced in the Earth. You exchange the currency of the world for the goods of the worlds; you exchange the currency of the Kingdom for the goods of the Kingdom. Grace and faith is the system by which the believer experience Heaven on Earth.
