

THE LAW OF LIFE

Jesus Taught The Law Of Life

I. Jesus taught this "the law of life" (Matthew 12:33-37)

- A. Your heart is the production center of your life (Proverbs 4:23, 23:7, Matt 12:35)
 - 1. Whatever you send to your heart in the form of word-seed it will send out in manifested form (it will produce it in my life)
 - a. Whatever I send to my heart in the form word-seed, my heart will produce
 - 2. What are you sending to the production center?
 - a. If you're sending bad seed you can expected it to produce a good life
 - b. EX: If send cotton to a t-shirt plant, that plant can't produce polyester t-shirts
- B. The deposit always matches the withdraw, the harvest always matches the seed
 - 1. Galatians 6:7 (AMP)-You have no potential to reap what you have not sown
 - a. You will not grow what you do not sow
 - b. God won't be mocked where this is concerned: if you sow it, you will reap it
 - 2. If you're not sowing any word don't be surprised when there's no harvest
 - a. To expect a harvest without sowing a seed violates spiritual law: a fool does that
- C. There will be judgment of the words you spend time with, in the results you get in life
 - 1. Your words or the words you spend time with are the key issue
- D. The man is determining what's brought forth by what he chooses to put in his heart
 - 1. God's not determine what you harvest, you are
 - 2. The harvest that you see in your life is up to you; it's in your hands
 - 3. If a good man chooses to deposit bad he will bring forth bad things
- E. Whatever you want in your life you can grow it
 - 1. Anytime you want to grow something you always have to have seed and ground
 - 2. If I have seed and ground I can grow something
