

THE LAW OF LIFE

The Word Seed

I. In the Kingdom of God system the Word is the Seed (Luke 8:11, Mark 4:14)

- A. The Bible is not a book of rules it's a bag of seed
 - 1. When you're in need in the KOG, the first thing you do is go to the Word & get seed
 - 2. I can't get apples w/o an apple tree and I can't get an apple tree w/o apple seed
 - a. I can't get healed without faith for healing, I can't faith for healing w/o the Word
- B. We have all things that pertain to life & godliness through these seed promises-2 Pet 1:3
 - 1. Anything that has to do **life** & **godliness** has been given to you in the form of a seed
 - a. If you give a farmer a truckload full of corn seed and a place to plant it he goes to work, he doesn't ask God for the harvest
 - 1) A farmer can't just pray for a harvest and not sow any seed; that violates the laws of farming
 - b. To many believers it's like the word doesn't even matter just pray-John 15:7
 - 1) To pray for a harvest w/o sowing the Word violates the laws of the Kingdom
 - 2. What you have in seed form you have the potential to see harvested
 - a. The failure of the believer has been to take the word from seed to harvest
 - 3. God gave you word-seed = grace---Grace w/o faith will keep the word in seed form
 - a. We'll talk about how good God is only to rarely see His goodness manifested
- C. Like the farmer w/o first getting the seed will get nowhere, the believer without first getting the word will get nowhere

II. The power potential to produce a harvest lies in the seed

- A. There is an inherent or built-in ability in a seed to cause itself to come to pass
- B. The Word of God-seed is a container that carries the power of God
 - 1. Hebrews 4:12-The Word of God is powerful or full of power
 - 2. Romans 1:16-The seed of God's word carries the supernatural power of God
 - a. Natural seed has natural power---supernatural seed has supernatural power
- C. Without word-seed you have no power to produce a harvest; No Word = No power
 - 1. Without tomato seed you have no ability to see a harvest of tomatoes because the power to see a harvest of tomatoes is in the seed
 - 2. You can pray day after day, but the reality is w/o seed you have no potential to see a harvest
- D. The word is incorruptible seed-1 Peter 1:23
 - 1. The word-seed will not fail under any circumstances when planted in good ground
 - a. There is **no thing** that can keep this word from coming to pass

- b. Outside things (problems, sickness, debt, poverty) don't stop the seed of God's word from working, because the seed of God's word cannot be corrupted
- 2. There is no situation where the Word is not enough
 - a. James 1-It's the perfect law of liberty
 - b. John 1, 1 Corinthians 13:8-It's God and it never fails
- 3. The Word will not fail to produce faith and faith will not fail to be the victory
- 4. There are two things that make it impossible for the word-seed to work 1) It's not in your heart 2) You're not walking in love

III. We release the power potential of the Word-seed by sowing it into our hearts

- A. Any time God gives you His word he just gave you the potential to see a harvest of that Word in your life
 - 1. Matthew 14:16-There's power in these words to get this done and do what Jesus did
 - 2. Instead of putting their eyes on what he said, they put their eyes on what they had
- B. That power is released **only** when that seed is planted in the ground
 - 1. When that word-seed is planted in the heart there is a **power release** and that word-seed begins to work to bring itself to pass-Isaiah 55:11
 - a. There is a release of the supernatural power of God to work and bring that word to pass
 - 2. The power isn't released & the word doesn't come to pass b/c you know it in your head; the power is released & the word comes to pass when it is sown in your heart
 - 3. **EXAMPLE:** The power that the seed carries is not released when that seed is sitting in the back of the truck, the power of that seed is released when that seed is planted in the ground. The seed starts becoming when it is sown.
- C. The seed has the potential to reach full harvest, but seed that is not planted, will be seed that does not reach it's full potential-**how much potential will u leave in the bag**
 - 1. Seed that is sitting in the back of a truck is just seed with untapped potential
 - a. If a manifestation is what you desire, then I have to tap the potential of this word-seed by getting this word in my heart
 - 2. The way to bring something forth from a place of unseen is to sow that thing in word-seed form in my heart & that thing will be brought forth in my life-Matthew 12:35
- D. When that word is in your heart it is working 24/7 to bring itself to pass (Isaiah 55:11)
 - 1. Mark 4:27-The Farmer was sleeping and rising night and day with that seed in the ground and that seed was working all of the time to manifest itself
 - 2. As long as that seed is in the ground, that seed is working 24 hours a day 7 days a week to bring itself to pass-I can rest
 - 3. I might not even be able to see that it's working, but I know that it's working because the seed is in the ground

IV. We have to take the word from word to faith, from seed to tree to see a harvest

- A. The WOG is precious seed-promises that are designed to create faith & faith will yield the harvest
 - 1. First the belief, then the development of it, then the harvest
 - 2. I can't get apples w/o an apple tree and I can't get an apple tree w/o apple seed
 - a. I can't get healed without faith for healing, I can't faith for healing w/o the Word
 - 3. I must make the tree good if the fruit is to be good-Proverbs 23:7, Matt 12:33
- B. A failure to take the word from word to faith will result in no harvest-Hebrews 4:2
 - 1. It's possible to hear the word preached and it not profit you
 - a. The word seed didn't profit them b/c they didn't take it from word to faith
 - 2. The way you take it from word to faith, from seed to tree is by hearing and hearing by the word of God-Romans 10:17
 - a. Get the tape, take notes, because the more you hear it, the more faith comes and the more results you'll see
 - 3. The Children Of Israel vs. Joshua and Caleb---They both heard the Word but only one of them took it from word to faith
 - a. The Word seed-God's-Ex 33:1-3, Numbers 13:2---Enemies-Numbers 13:31-33
 - b. The Ground of their heart-What had they sown in their heart?
 - 1) The 10 spies sowed the evil report into their heart (Numbers 13:27-29, 32-14:1-4)
 - 2) They gave their thoughts & attention to the evil report (the giants, the walls)
 - 3) Joshua and Caleb sowed the word (Numbers 13:30-31, 14:7-9)
 - 4) They gave their thoughts and attention to the Word
 - c. The tree of their belief – What did they believe? (We can find out what they believe, by looking at what they said in the time of pressure)
 - 1) The ten spies believed they couldn't go in (Numbers 13:31)
 - 2) Where did that belief come from? They spent time with the wrong words
 - 3) Joshua and Caleb believed they could go in (Numbers 13:30)
 - 4) Where did that belief come from? They spent time with God's words
 - d. The fruit results – What did they get?
 - 1) The ten spies and all the people that believed like them never went in; they got the fruit of their belief (Num 14:28-34, Hebrews 3:19)
 - 2) A result couldn't be produced in life, different than what was in their heart
 - 3) Joshua and Caleb got the fruit of their belief (Joshua 14:7-11)
- C. Romans 1:16-If you don't take the seed of the Word to faith, it can't become salvation
 - 1. You have to get involved in the process necessary to take it from word to faith

2. The Word has to be more to you than just you know what it says, that word has to become faith in your heart
3. The failure of the believer has been to take the word-seed out of the bag, put it in the ground, grow the faith, and allow faith to yield the victory

V. A picture of man believers and it is a picture of what not to do-Mark 4:35-41

- A. The potential for them to get to the other side is in the Jesus' words
 1. Anytime that God gives His Word concerning a thing He gives you the power and authority to have that thing and see that thing come to pass in your life
 2. He's given them safe passage in the form of word seed
 3. The biggest hurricane that this planet has ever seen can't corrupt that word
- B. How is it that you have no tree, when I've given you the seed?
 1. They didn't have a tree because they didn't spend time sowing this seed
 2. I'm sure the wind started to pick up a little, the sky started to get black and instead of meditating "we're going to the other side" they meditated on the evil report
- C. They asked Jesus to do something he gave them power to do in the word seed and they got rebuked for it
 1. If he's given me the seed for it, I don't have to pray & ask him to do something that I have the potential to do through the seed that He has provided
- D. That seed went untapped b/c they didn't sow it in their heart & take it from word to faith
