GOD WANTS ME WELL – I Am The Lord That Heals You – Tuesday, March 23rd

- **God is a The Lord that heals you**-*Ex15:26-If you will diligently hearken to the voice of the Lord thy God and will do that which is right in his sight and will give ear to his commandments and keep all his statutes I will put none of these disease upon you which I have brought upon the Egyptians: for I am the Lord that heals thee*
  - God introduces Himself, revealing to them a part of His nature-These are His own words
  - Our God is a God who heals-This is the one we call Lord and He is a healing God
  - **Say This**: *My God is the Lord that heals me*
- **God takes sickness from your midst**-*Ex23:25-You shall serve the Lord your God, and he shall bless your bread, and your water, and **I will** take sickness away from the midst of thee*
  - Why would he takes sickness away from His people-It's His will, what he likes, prefers
  - Taking sickness away must be His will-These are His words so this must be His will
  - **Say This**: *God will take sickness away from the midst of me*
- **God heals all your diseases**-*Ps103:2-Bless the Lord, O my soul, and forget not all his benefits (act of kindness, treatment, that which God has given): Who forgives all thine inequities; who heals all your disease*
  - Why all your diseases? He doesn't want any sickness among you-*Dt7:15-Thou shalt be blessed above all people…And The Lord will take away from you all sickness*
  - There's nothing God can't heal or doesn't want to heal
  - **Say This:** *God heals all my diseases*
- **God has not changed**-*Mal3:5-I am the Lord, I change not; Hb13:8-The same yesterday, and today and forever*
  - Some try to leave the idea that God used to be this way, but He's not anymore-When did He change? When did He stop being the Lord that heals you
  - He is the same God-That healed the woman with the issue of blood, Jairus' daughter, leper, woman with the spirit of infirmity, 2 blind men, healed them all is the same God we serve
  - Some say healing has passed away-Has The Healer passed away? Then healing hasn't
