CALLING THINGS THAT BE NOT AS THOUGH THEY ARE-Thy Will Be Done-Wed July 21st

- **We call things that be not as though they are based on what God has said-Rm4:17-AC-** *God speaks of nonexistent things that [He has foretold and promised] as if they already existed*
  - Abraham called himself the father of multitudes according to what God promised
  - We don't have ability to call whatever we want into being-We don't have creative ability like God
  - Many throw away this teaching-They think we're saying is we can just call whatever we want into existence and that's not what the Bible says
  - What we can call into being-If God promised us something, said something to us, about us that doesn't exist we can call things that be not as though they are and call it into being
  - Ex: Grace is a sound sleeper-Psalm127,Proverbs3
- **We find out what God says and decree to be done – Call it into being**
  - Jesus found the Father's will and decreed it to be done-*Jn5:19-The son can do nothing of himself, but what he sees the Father do; for what things soever he does, these also does the Son likewise; 30 I can of mine own self do nothing: as I hear, I judged (decide) and my judgement is just; because I seek not mine own will, but the will of the Father which sent me*
  - In all of these instances, He found the Father's will first-*Mk4:39,Mt8:3,Lk4:39,Jn11:43,Mk5:41*
  - Jesus taught us to find out what God's will and decree it to be done-*Mt6:10-Thy kingdom come. Thy **will (decree)** be done (come into being)*
  - Thy will be done is calling it into being-Where His will is not being done you call it into being
- **Knowing the will of God is vital because that's what you're authorized to call-Eph5:17-** *Be ye not unwise, but understanding what the will (decree, desire) of the Lord is*
  - 1. Ask yourself what's God's will for my life?-What's God's will for this situation?
  - 2. Ask yourself is God's will being done?-Do I see His will manifesting in my life
  - 3. If His will is not being done, call it into being-Call things that be not as though they are
